

START A CODING PROGRAM

at your small or rural library

Coding and computer science are a new kind of digital literacy, and libraries all over the U.S. are stepping up. You can join the effort and help kids in your community with a weekly after school code club. Don't worry if you are not a computer expert - we provide all the tools and training you need to be successful.

Help youth build 21st century skills

Grant funded = free to you!

No coding expertise necessary

High engagement and attendance

MAKE A DIFFERENCE IN THE LIVES OF YOUNG PEOPLE IN YOUR COMMUNITY BY INTRODUCING THEM TO COMPUTER PROGRAMMING.

prenda.co/imls

This program is made possible through a grant from the Institute of Museum and Library Services, administered by the North Dakota State Library in partnership with Prenda and the Association for Rural & Small Libraries.
